NOTES AND ORDERS.

The Senior Surgeon states that she may be exempted as she has no one to provide depending on her. It is true that Miss Britten has been home

Sir,

I have the honor to report that Miss M.A. Britten, the new Matron, Victoria Hospital, does not wish to insure her life as she has no one depending on her, and moreover she was not informed about the Government Life Insurance before joining. This latter was by an oversight as I had given instructions that the conditions of service should be sent to her before asking her to join. I request, therefore, that she may be excused getting her life insured.
